WINTER FUNDRAISER 2016

The second fundraiser of the year will be a Lamontagne chocolate sale. Some of you chose to contribute to the fundraiser with a donation during the registration period, or participated during the fall others preferred to wait. The time has come! The chocolate will be available at the office as of **February 17th 2016**. The chocolate will have to be paid at pick-up. Those who do not want to participate in the chocolate sale can make a monetary donation instead. **We would like to take the occasion to remind you that participation in all fundraisers is mandatory for all families for the Gadbois gymnastics Club.**

Because we are a non for profit organisation we rely on the participation and generosity of our members to support the development of our programs and supply of adequate gymnastics' equipment. By participating in these efforts you reward the hard work and determination of all of the athletes here at Gadbois.

Check out the television in the entrance to find out how much some of the equipment costs! Everyone's participation truly makes a difference!
